Our program will allow you

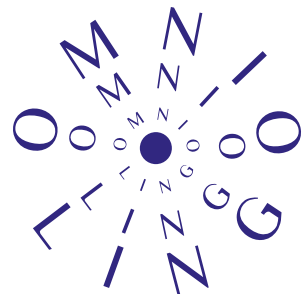

START

- to learn Russian on the elementary level Russian (State programm Test System ТЭУ).You can take the exam in special language test centers not only in Russia, but also abroad.
  - to know the minimum basic vocabulary
  - to read adopted texts about everyday russian lives
  - to read and understand place names and advertisments
  - to understand the language by ear (80-100 words) and-participate in simple discussions and conversations in Russian
  - to express your feelings and requests in Russian
  - to know the overall structure of the Russian language
- become acquainted with the Russian traditions and find out very useful details of everyday Russian life

If you are interested in Russian because

- you are going to Russia to work, to study or just as a tourist,
  - you think that knowing Russian can be useful for you in the future,
  - you know and like Russian culture and literature,
  - you like to study at the computer,
  - you knew Russian a long time ago, forgot it and would like to remember it,
  - you live in Russia and it is difficult to live there without knowing the language (and you don't have time to take a Russian class),
  - it is easier for you to learn a foreign language using an internet version of study rather than a traditional way,
  - you hope to know more about the Russian life,
- then our program is for you! We try to make our program easy to understand, interesting, dynamic, funny and not overwhelming with terminology and grammar.
