Our program will allow you

to learn Russian on the elementary level Russian (State programm Test System TЭY). You can take the exam in special language test centers not only in Russia, but also abroad.

to know the minimum basic vocabulary

to read adopted texts about everyday russian lives

to read and understand place names and advertisements

to understand the language by ear (80-100 words) and-participate in simple discussions and conversations in Russian

to express your feelings and requests in Russian

to know the overall structure of the Russian language

become acquainted with the Russian traditions and find out very useful details of everyday Russian life

If you are interested in Russian because

you are going to Russia to work, to study or just as a tourist,

you think that knowing Russian can be useful for you in the future,

you know and like Russian culture and literature,

you like to study at the computer,

you knew Russian a long time ago, forgot it and would like to remember it,

you live in Russia and it is difficult to live there without knowing the language (and you don't have time to take a Russian class), it is easier for you to learn a foreign language using an internet version of study rather than a traditional way, you hope to know more about the Russian life,
